

## Community Water Dialogue Meeting

April 6, 2017

1:00-3:00 p.m.

Watsonville Civic Center Community Room

275 Main St., Fourth Floor, Watsonville

### Goals

1. Understand the status of the basin following this season's heavy rains
2. Hear updates on recharge and conservation activities
3. Discuss and inform fallow incentive programs

	Agenda
1:00pm	<b>Welcome, Why are we here? Today's agenda and goals, review CWD strategic direction</b> <i>(Emily Paddock, Driscoll's)</i>
1:15pm	<b>Is the drought over? Basin Update</b> <i>(Brian Lockwood, PVWMA)</i>
1:45 pm	<b>Recharging the rain: Updates on managed aquifer recharge suitability analysis, implementation, and incentives</b> <i>(Andy Fisher, UCSC)</i>
2:15	<b>Fallowing as a water conservation strategy</b>  <b>Developing a plan and incentives for covered fallow</b> <i>(Lisa Lurie and Sacha Lozano, RCDSCC)</i>  <b>Update on the PVWMA Fallowed Lands Incentive Program (FLIP)</b> <i>(Kirk Schmidt)</i>
2:50	<b>Wrap up and next steps</b>
3:00	<b>Adjourn</b>
